PRESIDENT

Prof Yash Pal Abrol

TRUSTEES

Prof N Raghuram
Prof Tapan Kumar Adhya
Dr Himanshu Pathak
Dr Altaf Ahmad

MEMBER

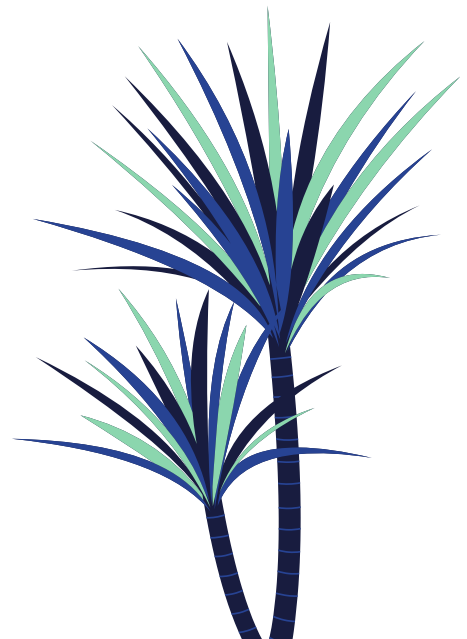

Mrs. Asha Ralli

ACTIVITY AREAS

**SUSTAINABILITY
RESEARCH**

**AGENDA
DEVELOPMENT**

**EDUCATION &
AWARENESS**

ACTIVITY HIGHLIGHTS

1. PAPER ON REACTIVE NITROGEN ASSESSMENT IN SOUTH ASIA PUBLISHED IN CURRENT SCIENCE

A research paper authored by trustee, Prof Raghuram, titled 'Reactive nitrogen assessment in South Asia' was published in Current Science, Vol. 111, No. 5, dated 10 September 2016

2. PAPER ON IMPROVED NITROGEN MANAGEMENT:A KEY TO CLIMATE CHANGE ADAPTATION AND MITIGATION PUBLISHED IN INDIAN JOURNAL OF FERTILIZERS

A research paper authored by trustee, Dr Himanshu Pathak et. al., titled 'Improved Nitrogen Management: A Key to Climate Change Adaptation and Mitigation' was published in Indian Journal of Fertilizers 12(11): 151-162; 2016

3. PAPER ON FERTILIZER USE IN INDIAN AGRICULTURE PUBLISHED IN SOCIETY FOR FERTILIZERS AND ENVIRONMENT NEWS

Trustee, Dr H. Pathak published a scientific paper: Fertilizer use in Indian Agriculture: Trend, budget and impacts on environment. Society for Fertilizers and Environment News 2: 2-3; (2016).

SUSTAINABILITY
RESEARCH

ACTIVITY HIGHLIGHTS

4. SOUTH ASIAN NITROGEN ASSESSMENT

South Asian Nitrogen Assessment under the INMS (International Nitrogen Management System) was organized by SIT and partners on 27th February 2017

AGENDA
DEVELOPMENT

ACTIVITY HIGHLIGHTS

5. DR. PATHAK DELIVERED A TALK ON 'CLIMATE CHANGE AND GREENHOUSE GAS EMISSION AND MITIGATION IN INDIAN AGRICULTURE'

H. Pathak delivered a talk on 'Climate change and greenhouse gas emission and mitigation in Indian agriculture' at National conference at ICAR-IGFRI, Jhansi during 19-22 February 2016.

6. PROF RAGHURAM, DELIVERED A PRESIDENTIAL LECTURE ON 'NUTRIENT MANAGEMENT FOR SUSTAINABLE DEVELOPMENT'

SIT was represented by Professor N. Raghuram, who delivered a Presidential Lecture on 'Nutrient Management for Sustainable Development' at the National Symposium on Managing Agriculture in a Changing Environment, held on 1st and 2nd December 2016 at IARI, New Delhi

7. PROF RAGHURAM GAVE AN INVITED LECTURE ON 'REACTIVE NITROGEN, CLIMATE CHANGE AND N USE EFFICIENCY'

Professor N. Raghuram gave an Invited Lecture on 'Reactive nitrogen, climate change and N use efficiency' at the National Conference on Climate Change, Resource Conservation and Sustainability Strategies, which was held on 16-17 March 2017 at GGSIP University, Dwarka, New Delhi.
