Sustainable India Trust (SIT)**

F4, A Block NASC Complex, DPS Marg, New Delhi-110 012

1. Prof. YP Abrol Memorial Award

The Sustainable India Trust (SIT) has instituted the **Prof. YP Abrol Memorial Award** in the memory of **Late Prof. YP Abrol**, the Founder of SCON and SIT.

- The award is given annually for excellence in science and/or policy towards sustainable nitrogen management in the last 15 years.
- The applicant's contribution should have been recognized nationally/internationally and supported by significant publications on reactive nitrogen in a journal of high impact factor. Contributions of policy-maker or civil society member to science-led policy and/or its implementation for sustainable nitrogen management can also be considered for the award. The applicant should belong to a South Asian (SAARC) country.
- In the year 2020, the award was jointly received by Dr. Anjan Datta, International Centre for Climate Change and Development, United Kingdom and Dr. Mahesh Pradhan, United Nations Environment Programme, Kenya.
- The award consists of a **scroll and cash prize of Indian Rs. 25 thousand**.
- The awardee may be required to deliver a talk on his/her contributions to sustainable nitrogen management.
- TA/DA for receiving the award shall be paid to the awardees by the Trust. However, due to COVID-19 Pandemic, this year the award function will be organized online.

2. Excellence in Science Award

The Society for Conservation of Nature (SCON) has instituted an **AWARD FOR EXCELLENCE IN SCIENCE** in the memory of **LATE Sri. LAL CHAND and Smt. DAYAWANTI**, parents of Late Prof. YP Abrol, the Founder of SCON and SIT, to respect the value system inculcated by them as parents. Prof. Abrol donated a suitable amount to SCON to create the endowment fund to sustain the award.

- The award is given for excellence in research and teaching in the field of environmental science and nature conservation in the last 20 years.
- The applicant's contribution should have been recognized nationally/internationally and supported by significant publications with high impact on public policy and/or society. The applicant should be an Indian Citizen.

- The award consists of a **scroll and cash prize of Indian Rs. 25 thousand**.
- The awardee may be required to deliver a talk on his/her area of scientific excellence in the areas of environmental science and nature conservation.
- TA/DA for receiving the award shall be paid to the awardees by the Society. However, due to COVID-19 Pandemic, this year the award function will be organized online.

3. Recognition Awards

The Society for Conservation of Nature (SCON) has instituted **THREE RECOGNITION AWARDS** to recognize the contributions of individuals in research, teaching and social service in the field of environmental science and nature conservation.

- The applicant should be a distinguished individual with recognized contributions nationally/internationally in the last 10 years. The applicant should be an Indian Citizen.
- The award consists of a **scroll and a memento**.
- The awardees may be required to deliver a talk on their contributions in above areas.
- TA/DA for receiving the award shall be paid to the awardees by the Society. However, due to COVID-19 Pandemic, this year the award function will be organized online.

❖ Selection for the Awards
